Horse equipment:

If you need to order Parelli equipment, check the different ways of ordering on www.pnhforyou.com.

Please identify your own equipment by writing your name or using colored adhesive. We advice to bring a bag to transport your equipment when we move through the site with our horses. Please have your grooming equipment and possibly your horse blanket and protective boots.

Hay and straw are provided. To avoid any diet change for your horse, bring any further food (cereals, supplements...) that you usually give. If your horse is barefoot and wears boots bring them too. Please don't forget the passport and/or vaccination certificates.

Rider equipment:

Bring your notebook and provide clothes adapted for outdoor activities depending on the time of the year. Remember to bring suitable shoes and a hat. Depending on the season, remember to take protection against sun (sunscreen, sunglasses...), wind, rain or snow (warm clothes, boots, scarf...). A bottle of water, a notebook and a pen will be necessary. For courses during summer, bring your swimming suit, the lake is close!
